

## Hits For Days

Busta Rhymes

On your marks  
Get set ready go  
Let's get 'em upper deck  
Let is spark  
I'm sicker with flows  
To set another trend  
You niggas front  
Like shit ain't for real  
Why would you pretend  
It's Busta Busta  
Back for the kill  
Tell a fuckin' friend  
Before the bomb drop if you good  
See when I (beat it up)  
With nonstop coke for the hood  
Go 'head and (heat it up)  
I'ma leave it up to the streets  
To determine how i beat it up  
'til a nigga head get bus' in the club  
I'm bout to (heat 'em up)

It's been a while since I've  
Seen the light of day (Okay)  
Cause I, been hustlin'  
Jus' Cookin' in the kitchen  
Comin' up with hits for days  
And those involved  
Are blastin' all  
The rest'a y'all  
No cruise control  
(And) I know you wanna hate  
You can't hate, [?]  
You need to  
Move over  
Cause I'm colder  
But more important  
I'm a soldier  
(Ha, Yeah) The rockin don't stop cause  
We make hits for days

Ay, yo yo  
No just in case you actin' like you don't know  
Must I remind you niggas that  
(We make hits for days)  
It's only in your best interest if you  
(Spread love, dah dahhh-dah)

We make niggas wanna act up  
Smash ya wig and wanna backflip  
Ain't nothin changed I'm still the  
Goliath of this rap shit  
Snatch a couple of ones  
My money [?]  
Then I double my funds  
And [?]  
Oh Oh Oh  
My My My (SHIT)

My My My  
My niggas black and reactin'  
Like they back in the sty  
It's really plain and simple  
So please explain to me why  
Y'all know already  
Only them stupid niggas'll try  
To test the kid who spit it hard  
Like the legend of [?]  
Back on my grind like I'm sittin'  
Baggin' them tin pies  
Glass table, couple razors  
And baking soda supplies  
While sippin' 'ngac  
Hits from the 'L' will  
Bloody your eyes  
This new concoction I cook  
Will flood exceeding the size  
Of every hood, borough, and city  
Meet your demise  
And if you gotta question the kid  
Then utilize  
Your better sense of judgement  
Who do it better? Surprise, Surprise!  
("J") Get 'Em

It's been a while since I've  
Seen the light of day (Okay)

In every hood  
We carry the goods  
I'm ready to go  
Let's proceed with the stuntin'  
In case you ain't know then LET...  
...me show you somethin'  
Why niggas front?  
They know who in charge  
Of this whole production (YO!)  
Take [?] legal liquor consumption  
And keep it nutty

For every hood  
Follow instructions  
And rush the door  
And [?] the entry  
Wild'n the function  
Just throw a couple bottles around  
And fuel a combustion, probably  
Shit's about to explode  
Catch a concussion  
The club('s at) capacity  
And now everybody is stuck in  
With bitches shakin' they ass  
And dancin' just like they fuckin'  
See my money long  
I spend them benefits from tax deductions  
A couple cribs  
And a little company doin' construction  
(Ha, It's nothin')  
DJ play 'til equipment'll malfunction  
And the lights is on  
And Shots have been fired  
That's why they duckin'  
Mother fuckin' better run  
If you hear them niggas is bustin'  
I know it's been a while  
So you niggas ain't  
Expect to see this comin'  
I'm back to get 'em!

It's been a while since I've
