

Outro (Preparation for the Final World Front)

Busta Rhymes

And I would once again
Like to sincerely
Thank everyone
For takin' time out to analyze this new LP
And bearing witness (Huh, huh, huh)
To another (Hah, hah)
Precious moment
Well-spent with Busta Rhymes! (huh!)
Yeah!
And the whole entire Flipmode Squad!
Yo! (Ah! Ah!) Hah!
And once again
As we continue to keep all you motherfuckers posted
There's only two years left from the year 1998
And I sincerely hope
That all you motherfuckers are keepin' in mind
That there is absolutely no time to be taking time for granted!
We must all get it right now
So that we can be sure
That we are somewhat capable
Of being qualified enough to contribute to our own
As well as all of our preparation for the final world front
Yeah
All my motherfuckers, stay tuned
For the next Flipmode explosion. Yeah
Until the next time
Set up your shit and prepare for...
