

Relevant (Interlude)

Busta Rhymes

Let me familiarize you niggas on somethin' real quick man
Just put y'all niggas on to somethin' man
I know y'all a lotta y'all niggas probably be wonderin' is like
Ya how this motherfucker stick around so long? How this nigga
How this nigga stay on his A game for so many years?
How this nigga come back after three year lil' break and just,
you know completely flatten the whole fuckin' game, hands down,
unanimous nigga
Let me, let me just let me just, put y'all on real quick, you n
ah mean?
First of all, I stay relevant because I stay bangin' the street
nigga
I stay relevant because I stay blanketin' the street and keep t
he street thoroughly abreast with thoroughbred quality hip hop
shit
Not none of that, lil' sideways suspec' ass shit, a lotta y'all
niggas be throwin' in the street
On some unnecessary bullshit that we ain't really tryna listen
to
Fuck outta here with that bullshit
Anywhere I go I tears the fuckin' buildin' down
I tear the fuckin' stage down, aight
What I do when I create shit, my shit be lightyears ahead of yo
u motherfuckers, aight
I possess the ability to aggressively smash on any motherfucker
that get in my lane
Keep your motherfuckin' indicator light away from mergin' in my
lane
I'm tired of tellin' you niggas man
Do you, stop tryna do me
Get familiar, this is big bang Busta Rhymes bitch
Flipmode bitch!
