

# Can't Break Through

Busted

I hate when you say,  
I Don't blow you away,  
I can't break through that way  
Our Friends told us

We wouldn't last for the week  
I guess they think that I'm a freak  
They hated my blue streak  
I cant control this

Why does it feel like it's raining in my head?  
I don't understand  
Why are you always complaining about me  
You don't even know who I am  
Don't think I wanna know you  
I'm tired of running after you  
I won't send you a sorry card  
Cos' I don't need you  
I've given up and never reminisce  
I found a way of getting over this  
I let go in everyway  
Cos' I don't need you

I feel that it's time  
For me to draw the line  
(I know that I'll be fine)  
Without your bitchin'  
Cos' everyday I become  
A little less numb  
Like I don't even know you

Why does it feel like it's raining in my head?  
I don't understand  
Why are you always complaining about me  
You don't even know who I am  
Don't think I wanna know you  
I'm tired of running after you  
I won't send you a sorry card  
Cos' I don't need you  
I've given up and never reminisce  
I found a way of getting over this  
I let go in everyway  
Cos' I don't need you

Don't think I wanna know you  
I'm tired of running after you  
I won't send you a sorry card  
Cos' I don't need you  
I've given up and never reminisce  
I found a way of getting over this  
I let go in everyway  
Cos' I don't need you  
  
Cos' I don't need you

Don't think I wanna know  
I've gotta go before I go crazy  
I let go in everyway  
Cos' anyway, I know that you hate me  
Don't think I wanna know  
I've gotta go before I go crazy  
I let go in everyway  
Cos' anyway, I know that you hate me  
Don't think I wanna know  
I've gotta go before I go crazy  
I let go in everyway  
Cos' anyway, I know that you hate me
