

## Everything I Knew 2.0

**Busted**

Everything I knew, just blew out the window  
Now I can't depend on you forever  
And I never thought I'd see my life walk away from me  
I thought we'd always be together

No I shouldn't have to pay for every word I say  
I wish I could change your decision  
Now you know that I've tried to tell you what it's like  
But you just wouldn't listen

Let's go back, let's rewind to the days  
That remind me of all the good times  
That we spent together  
And I don't know why we just let it all slide  
When we both knew inside we were right for each other  
I don't know what to do  
Cause you're everything that I knew

Everydays the same it's like tomorrow never came  
We used to talk about whatever  
The seasons never changed  
We never used to act our age  
Every time we were together

No I shouldn't have to pay for every word I say  
I wish I could change your decision  
Now you know that I've tried to tell you what it's like  
But you just wouldn't listen

Let's go back, let's rewind to the days  
That remind me of all the good times  
That we spent together  
And I don't know why we just let it all slide  
When we both knew inside we were right for each other  
I don't know what to do  
Cause you're everything that I knew

How can you just walk out of my life  
Without even giving a reason?  
And how can you look so good  
The day I watched you leave me

Let's go back, let's rewind to the days  
That remind me of all the good times  
That we spent together  
And I don't know why we just let it all slide  
When we both knew inside we were right for each other

Let's go back, let's rewind to the days  
That remind me of all the good times  
That we spent together  
And I don't know why we just let it all slide  
When we both knew inside we were right for each other

I don't know what to do  
Cause you're everything that I knew
