

Nerdy

Busted

G C (4x)

G C
It's always been up to your friends
G C
they'll make your mind up, for you
G C
The popularity's gone to your head
G C
but still I don't ignore you
Emi D
You ran for school election
C G D
you even got my vote
Emi D
But you know my favourite pastime's poetry
C G D
and yesterday I wrote

G
Just because I'm nerdy
D
and my friends are thirty
Emi C
It doesn't mean that I swing that way
G
You've got complications
D
And a reputation
Emi C
I wouldn't wanna get in your way
G
Oh anyway

G C (2x)

G C
This morning you walked past my door
G C
Just like a daydream but much more
G C
I followed you round to the store
G C
And i was shell-shocked when I saw
Emi D
You and your friends were smoking,
C G D
It always makes me choke
And did you know
Emi D
I'd do anything to have you
C G D
But I wouldn't take your toat

G
Just because I'm nerdy,
D
and my friends are thirty

Emi **C**
It doesn't mean that I swing that way
G
You've got complications
D
And a reputation
Emi **C**
I wouldn't wanna get in your way,
G
Oh anyway

G D Emi C (2x)

Emi **D**
You said my words were beautiful
C **G D**
They almost made you cry
Emi **D** **C**
The markings on the wall were jaded
C
I wonder why

G
Just because you're nerdy
D
And your friends are thirty
Emi **C**
Doesn't mean she won't swing your way
G
She's got complications
D
And a reputation
Emi **C**
Go ahead and stand in her way

G
Just because you're nerdy
D
And your friends are thirty
Emi **C**
Doesn't mean she won't swing your way
G
Shes got complications
D
And a reputation
Emi **C**
Go ahead and stand in her way
G
But anyway
