

Out of Our Minds

Busted

5 AM, hit the sin,
Here we go again.
We've still got time,
Blurry eyed, everyday
But we go out anyway
And waste our lives.

It's clear that the weekend means nothing to me.
We here but we don't know how.
We go off forever, indefinitely.
We don't know the difference now.

Cause we're out of our minds,
We spend most of our time,
Out of our mind, we're falling behind
And it must be a sign..
We're out of our minds.

9 AM, shutters down,
Lights are up, party on.
We're chasing night,
Here again feeling numb,
Take me home, I'm almost done.
And I'm alright.

It's clear that the weekend means nothing to me.
We here but we don't know how.
We go off forever, indefinitely.
We don't know the difference now.

Cause we're out of our minds,
We spend most of our time,
Out of our mind, we're falling behind
And it must be a sign..
We're out of our minds.

We are, out of our mind
We are, out of our minds,

Cause we're out of our minds,
We spend most of our time,
Out of our mind, we're falling behind
And it must be a sign..
We're out of our minds.

We are, out of our minds
We would waste our lives,
We are, out of our minds,
But we still got time
We are, out of our minds
Yeah we waste, we waste our lives
