

Pigs Can Fly

Busted

Reality, reality
Who wants to live there?
I'd rather plead insanity
Than spend the rest of my days there

Cause life sure does suck
When you're down on your luck
And you're left feeling tired and blue
When things get so bad
That the dreams that you have
Can seem so far fetched to you

But pigs can fly, I know that it's true
People when they say they don't believe
Are people that you need to ask to leave
Cause pigs can fly and one day when they do
You realise the dreams you dare to dream
Are really not as crazy as they seem
Look to the sky
Cause pigs can fly

Fly, fly
Fly
Fly, fly
Fly

Cause pigs can fly, I know that it's true
People when they say they don't believe
Are people that you need to ask to leave
Cause pigs can fly and one day when they do
You realise the dreams you dare to dream
Are really not as crazy as they seem
Look to the sky
Cause pigs can fly

Fly, fly, fly, fly
Fly, fly, fly, fly
Fly, fly, fly, fly
Fly, fly, fly, fly
