

Year 3000 2.0

Busted

One day when I came home at lunchtime
I heard a funny noise
Went out to the back yard to find out
If it was one of those rowdy boys
Stood there was my neighbour called Peter
And a Flux Capacitor

He told me he built a time machine
Like the one in the film I've seen
Yeah, yeah

He said, "I've been to the year 3000
Not much has changed, but they lived under water
And your great-great-great-granddaughter
Is pretty fine"
Is pretty fine

He took me to the future in the flux thing and I saw everything
Boy bands and another one and another one, and another one
Triple-breasted women swim around town, totally naked

We drove around in a time machine
Like one in a film I've seen
Yeah

He said, "I've been to the year 3000
Not much has changed, but they lived under water
And your great-great-great-granddaughter
Is pretty fine"
Pretty fine

I took a trip to the year 3000
This song had gone multi-platinum
Everybody bought our seventh album
It had outsold Michael Jackson
I took a trip to the year 3000
This song had gone multi-platinum
Everybody bought our seventh album, seventh album

He told me he built a time machine
Like one in a film I've seen

He said, "I've been to the year 3000
Not much has changed, but they lived under water
And your great-great-great-granddaughter
Is pretty fine"
Is pretty fine

He said, "I've been to the year 3000
Not much has changed, but they lived under water
And your great-great-great-granddaughter
Is pretty fine"
Pretty fine

He said, "I've been to the year 3000
Not much has changed, but they lived under water
And your great-great-great-granddaughter

Is pretty fine"
She's pretty fine

He said, "I've been to the year 3000
Not much has changed, but they lived under water
And your great-great-great-granddaughter
Is pretty fine"
