

Martin Luther, black  
Malcolm X, black  
Marcus Garvey, black  
Barack Obama black  
Bill Clinton, black  
Weh you think bout dat  
A whole heap a great  
Some a di greatest people  
African history document dat

So free up black people  
Live up black people  
A inna jail house dem wah fi lock people  
Mental shackles and chain inna brain dem trap people  
So free up black people  
Free up black people  
A inna jail house dem wah fi lock people  
Mental shackles and chain inna brain dem trap people

My point is, the meek shall inherit the earth  
And me nuh matter what the fight is  
And it was written long before the 80s and the 90s  
Before the cornel find the herb and spices  
Black people don't get caught inna dem system  
Just overcome and don't become a victim  
Cause dem system set fi dem get the future  
Only the history we get

So free up black people  
Live up black people  
A inna jail house dem wah fi lock people  
Mental shackles and chain inna brain dem trap people  
So free up black people  
Free up black people  
A inna jail house dem wah fi lock people  
Mental shackles and chain inna brain dem trap people

Don't figet Husain Bolt black  
Greatest of the great check the record pon the track  
Asafa, Shelly-ann Frazer, Merlene  
Ottey, Ben Johnson and Quarry  
Me fi tell you bout that  
Bob Marley, Mohammed Ali and Denzel Washington  
Too many to mention  
Whitney Houston, Micheal Jordan from the African  
And join river Jordan

So free up black people  
Live up black people  
A inna jail house dem wah fi lock people  
Mental shackles and chain inna brain dem trap people  
So free up black people  
Free up black people  
A inna jail house dem wah fi lock people  
Mental shackles and chain inna brain dem trap people  
So free up black people  
Free up black people...
