

# It's Killin' Time, Baby!

Butcher Babies

Yeah!

Black boot stompin' space dust

Bounty boy biker shootin' straight from the earths crust

Yeah!

Bastich on a spazfrag

Part space cowboy but you know I'm a rockstar

Alien blood dressed to kill

Burn this city down cause I like a good light show

Blast my hit, turn it up

Cause the sound of heavy metal really grinds my space hog

Yeah!

I'm the main man, intergalactic satan

I'm the main man

Cause when its killin' time, I'm a playboy with the right line

It's killin' time, baby

It's killin' time, alright

It's killin' time, baby

It's killin' time, alright

Yeah, yeah, yeah, yeah, yeah, yeah

It's killin' time, baby, yeah!

Yeah, yeah, yeah, yeah, yeah, yeah

It's killin' time, baby, yeah!

Yeah!

Banned from heaven and I'm star bound

Bruiser on a mission comin' atchya like a hell hound

Yeah!

They like it when I play rough

I'm a four letter word when you thought that you had called bluff

I've got a passion for destruction

I've got a taste, a taste to lacerate

So, uh what are you doing tonight?

I'm the main man

Cause when its killin' time, I'm a playboy with the right line

It's killin' time, baby

It's killin' time, alright

It's killin' time, baby

It's killin' time, alright

Yeah, yeah, yeah, yeah, yeah, yeah

It's killin' time, baby, yeah!

Yeah, yeah, yeah, yeah, yeah, yeah

It's killin' time, baby, yeah!

I'm the main man

It's killin' time, baby

I'm the main man

It's killin' time, baby
