

Last Dance

Butcher Babies

Sometimes I burn a little brighter
Climb a little higher
When I turn back time to you
What's life got to offer
If nothing but another way
To bide my time, it's true

I'm holding on
To the memory of you
I'm holding on
Are you still holding onto
I'll never let you go
Even though we've grown apart
(You know I'll come back to you)

So light a candle for me
Let it burn slowly
This is our chance
Give me just one last dance
And I'm coming home, I'm coming home
Under the pale moon
You look just like you used to
This is our chance
Give me just one last dance
And I'm coming home, I'm coming home
(And I'm coming home, I'm coming home)

You're not in my hemisphere
So I'll wait another year
Wish you could see me now
Through all the ups and downs
I know I'm better because of you

So light a candle for me
Let it burn slowly
This is our chance
Give me just one last dance
And I'm coming home, I'm coming home
Under the pale moon
You look just like you used to
This is our chance
Give me just one last dance
And I'm coming home, I'm coming home
(And I'm coming home, I'm coming home)

(I'm coming home, I'm coming home...)

I'm holding on
I'm holding on
To the memory of you
I'm holding on
I'm holding on

So light a candle for me
Let it burn slowly
This is our chance
Give me just one last dance

And I'm coming home, I'm coming home
Under the pale moon
You look just like you used to
This is our chance
Give me just one last dance
And I'm coming home, I'm coming home

(I'm coming home, I'm coming home...)
