

I Can't Make Me

Butterfly Boucher

All the things I want to say but I can't
All the things I want to do but I won't
Hold me tight
Not too tight
I'm in knots and you tie me in bows
I feel pretty
I know that you care
You're so sweet
You're so so sweet

It's not a hurry tha we're in
It's the pollen
It's the spring

I can't make me love you
And you can't make me either
Patience Boy I need it
I can't make me love yooooooooou

Oh oh oh

Paper pen and a piece of your heart
I can read it but where do I start?
What to do
What do I do?
An I am going but I'm gonna come back
And maybe then this maybe that
Hold me tight
Not too tight

It's not a hurry that were in
There's no problem
That's the thing!

But I can't make me love you
And you can't make me either
Patience Boy I need it
I can't make me love yooooooooou

Oooooooooooooooooohhhhhhhhhhhhhhhhh
Everyday there's something new to hold onto toooooooooo a little more of yoo
ooooooooou

I Can't make me love you
And you can't make me either
Patience Boy I need it
I can't make me love yooooooooou
Patience Boy on strange days
I can't make me love yooooooooooooou

Oh oh oh
