

## Backass

**Butthole Surfers**

I don't recall you  
So I won't involve you  
The window's quite small  
So I might be a simple tool

It's really simple  
Your body's a temple  
It looks good on paper  
The paper's not here

I've never seen it  
Your [?] body  
It's only a symbol  
[?] in tinfoil
