Gary Floyd

Butthole Surfers

I could have a real good time if I had a gun I know, well I know. The things I do and say And if I did not have no gun well I know, I know I've got a knife. Well, Gary Floyd and all his pals are gonna' come on down To the roundaround. They're gonna' shoot all day. Saw the nature in the swimming pool In a two-piece oh and I lost my cool Well I'm cool-the things I do and say The color brown is coming down I feel my head go round and round and round [etc.] Well, Gary Floyd and all his pals are gonna' come on down To the roundaround. They're gonna' shoot all day.
