

I'm soiled
Soil me
Soil all
All
All
Oh
My
God

I have come ten million miles
And traveled on your Earth
And with his hands
The fiery beast may consummate my birth

Locust, flies, and disgusting beasts
Shall crack the ocean floor
Has given life to fiery hands
That open up the door

Shy away

Oh daddy, daddy
We need help!
My mind is at an end

Hope is lost
You're bleeding out
Your dreams forever plagued

What do you know about reality?
I AM REALITY
What do you know about death?

I AM DEATH!
HAAAAAAHH

I don't know the things you've seen
But I am without feelings
You run and hide

Yeeeeeee-ahhh
Yeeeeeee-ahhh

You know the scenes I've seen
Your faces bow, bloody red
I'm running now
When you come, I walk, walk away

Wow, wow, wow

Oh
Oh, daddy, please
Don't touch me on my penis and vagina
Oh, daddy, don't touch me on my bottom
Please, daddy!
Don't touch me! Don't touch me on the penis daddy!
Crazy, crazy f*cking world!

Crazy goddamn world we live in!
Shit
Hey!
Oh!

What is so funny?
Slap him

You rang?
