

## Jingle of a Dog's Collar

Butthole Surfers

I was lookin' for the main line when I was  
Workin' through a friend of mine but I  
Couldn't seem to find the time  
What do they know about love  
What do they know about love  
What do they know about love my friend  
What do they know about love  
The Jingle of a Dog's Collar would be good right here  
The Jingle of a Dog's Collar would be fine  
The Jingle of a Dog's Collar would be good right here  
The Jingle of a Dog's Collar would be fine  
What do they know about love  
What do they know about love  
What do they know about love my friend  
What do they know about love  
The Jingle of a Dog's Collar would be good right here  
The Jingle of a Dog's Collar would be fine
