

My Brother's Wife

Butthole Surfers

I am not a priss, my brother's wife
There was a time when I thought that the longer
Am I a slave to my mind oh, ahhhhh
My brother's wife

I know it's not right, what I'm thinking deny me
My brother's wife
I will always stay
My brother's wife
I know, shh
My brother's wife

I share the secret requests of the clown
There is no denying me
I must have my brother's wife's breasts
Total babe, what's wrong?
My brother's wife and her car, her ass
I am in love with my brother's wife and her breasts

Sadly I turn to the left and I see
My brother's wife's breasts
I really must be off
Oh it hurts to laugh
My brother's wife, please help
No, no, no, not my brother's wife's breasts
Oh God
