

Experimental Farm

Buzzcocks

Don't believe a word that they told ya
Looking back across from my shoulder
All the food they make to control ya
Experimental Farm

Giant people getting taller
Small people getting smaller
As they try to break the law, yeah
Experimental Farm

Oh oh, Experimental Farm

Oh oh, Experimental Farm

Like a bee that buzzed too high, yeah
And the tree that reached the sky, yeah
In a war where people die, yeah
Experimental Farm

Boom foods coming at ya
From the gods, they try to attack ya
Mother Nature, watch your back, yeah
