

Gotta Get Better

Buzzcocks

If you see me fall apart
Look the other way
Time to go back to the start
Might be right some day

Whoa, I know
It's gotta get better
Yeah, I know
It's gotta get better
Gotta get better, oh, yeah
Gotta get better, oh

If you ever change your mind
As people often do
There is one thing you might find
Deep inside of you

Oh, I know
It's gotta get better
Yeah, I know
It's gotta get better
Gotta get better, oh, yeah
Gotta get better, oh

Each time that you think is goin' wrong
I'll be there to keep you holdin' on

Oh, I know
It's gotta get better
Yeah, I know
It's gotta get better
Gotta get better, oh, yeah
Gotta get better, oh

Gotta get, gotta get
Gotta get, gotta get
Gotta get, gotta get better
Gotta get, gotta get
Gotta get, gotta get
Gotta get, gotta get better
Gotta get, gotta get
Gotta get, gotta get
Gotta get, gotta get better
Gotta get, gotta get
Gotta get, gotta get
Gotta get, gotta get better
