

## Holding Me Down

Buzzcocks

I used to get mad at your rules  
You used to get sad with your [?]  
I'd see you laughin' at, like a clown  
I'd see you'd been had as I walked around town

(Ooh-woo-o-ooh) Holding me down, you're holding me down  
Just like I know you're holding me down  
Holding me down, you're holding me down  
Just like I know you're holding me down

Sometimes I'd wonder where you'd be  
Walking white lines on every street team  
I'd look in your eyes, and see just a fool  
I'd look in your eyes, and see it's not cool

(Ooh-woo-o-ooh) Holding me down, you're holding me down  
Just like I know you're holding me down  
Holding me down, you're holding me down  
Just like I know you're holding me down

Holding me, holding me, holding me down (Ooh-woo-o-ooh)  
Holding me, holding me, holding me down (Ooh-woo-o-ooh)

I'd look in your eyes, and see just a fool  
I'd look in your eyes, and see it's not cool

(Ooh-woo-o-ooh) Holding me down, you're holding me down  
Just like I know you're holding me down  
Holding me down, you're holding me down  
Just like I know you're holding me down  
Holding me down, you're holding me down  
Just like I know you're holding me down  
Holding me down, you're holding me down  
Just like I know you're holding me down

Holding me, holding me, holding me down (Ooh-woo-o-ooh)  
Holding me, holding me, holding me down (Ooh-woo-o-ooh)  
Holding me, holding me, holding me down (Ooh-woo-o-ooh)  
Holding me, holding me, holding me down (Ooh-woo-o-ooh)  
Holding me, holding me, holding me down (Ooh-woo-o-ooh)  
Holding me, holding me, holding me down (Ooh-woo-o-ooh)  
Holding me, holding me, holding me down (Ooh-woo-o-ooh)
