Buzzcocks

What is inside me
Is caged here beside me
Life is a zoo
I'm labelled him
And it's labelled you
Life is a zoo
Life's a zoo

You are a stranger
But I'm even stranger
What can I do
Life's getting stranger
Strangers are stranger
What can we do
Life's a zoo

I am a stranger
And you're even stranger
What can you do
Life's getting stranger
A stranger's a stranger
What can we do
Life's a zoo
