

# Television World

**Buzzcocks**

It's just my television world inside  
It's just my television world inside

Watchin' life through a [?] screen  
Taking control behind the scenes  
A mind alone in a haunted dream  
Only things that you perceive  
Relating to what you receive  
[?] channels, you can't believe

It's just my television world inside  
It's just my television world inside

All the pictures come and go  
Speedin' up, makin' you feel slow  
And I know, I know, I know, I know

It's just my television world inside  
It's just my television world inside

Oh yeah, oh yeah

It's just my television world inside  
It's just my television world inside

Watchin' life through a [?] screen  
Taking control behind the scenes  
A mind alone in a haunted dream

It's just my television world inside  
It's just my television world inside

It's just my television world in-  
It's just my television world in-  
Inside, inside  
Inside, yeah  
It's just my television world in-  
It's just my television world in-  
Inside, inside  
Inside, yeah
