

Open My Eyes

By The Tree

You're the only one
That's worthy of my praise
You're the only one
This voice will raise

Open my eyes
It's You, I'm falling into
Open my eyes
It's You, I'm falling into
Fall into

You're the only one
That's worthy of my praise
You're the only one
This voice will raise

Open my eyes
It's You, I'm falling into
Open my eyes
It's You, I'm falling into

Open my eyes
It's You, I'm falling into
Open my eyes
It's You, I'm falling into

Open my eyes
It's You, I'm falling into
Open my eyes
It's You, I'm falling into
Fall into You
