

# Wait

By The Tree

I will wait for You patiently  
Praying from my deepest point of need  
Give You everything in return just for You  
Satisfy my soul, nothing else will do

[Chorus: x2]

Jesus  
My heart  
Your home

I will sing for You all my days  
Always quick to give You praise  
When I was in sin You saved my soul  
No greater love will I ever know

[Chorus]

Jesus, You shine like the sun
