

## Good to Me

Byron Cage

You've been good to me  
You've been good to me  
Every day when I wake up and I pray  
I have to lift my hands and I gotta say  
You've been good to me  
More than this old world could ever be  
You've been good, oh real good  
You've been good to me

Though I have cried many nights  
And there have been battles I've had to fight  
But it still work out for my good  
Because my trust was all in You  
And there were times I felt discouraged  
But You were right there to give me the courage  
You've been good, oh real good to me

You've been good to me  
You've been good to me  
Every day when I wake up and I pray  
I have to lift my hands and I gotta say  
You've been good to me  
More than this old world could ever be  
You've been good, oh real good  
You've been good to me

You've, been, so, good  
You've, been, so, good  
You've, been, so, good  
You've, been, so good  
So good  
So good  
So good to me  
So good  
So good  
So good  
So good  
So good to me

So good to me
