

Gratitude

Byron Cage

How can I express to You
The gratitude for all that You do
What can I give back to You
For unfailing love, mercy and grace too
Mere words can never be enough
To articulate how much I thank You
Although sometimes the goings are rough but I made it

Lord my God when I reflect on life
And just how far I've come
You've sustained my path, kept me through it all
Even when I felt like I would fall

Through life and strength, health and wealth
And the never-changing way that You love me
Although sometimes I know I felt
Alone in life but You secured me
I'm confident and know in that
You are God will perform what You said
And everytime I speak by faith
I still receive Your promise
And the blessings Lord
Great things You have in store
For the ones who will obey and trust You more
Obey and trust You more

For all the times I've fallen short
Yet You never cease to show me mercy
And when I thought that all was lost
You remind me of Your love at Calvary
You save me Jesus in times when I
Wasn't sure that I would even make it
It's because of You I'm standing here to say
If it were not for Your loving hands
That helped me find my way
I would be so lost and drifted like a ship
A ship without a sail

Thank You for not giving up
Even in the times I know I failed You
Thank You Lord for showing up
When I cried and cried and didn't know what to do
We're stronger than we were before
Because our faith and trust is in our Saviour
So we would praise You all the more and say

Thank You Lord
Thank You Lord
Thank You Lord
Thank You Lord

Thank You Lord
Thank You Lord
Thank You Lord
Thank You Lord

For everything that You have done in my life I say

We say thank You
For Your goodness
Thank You
And Your mercy
Thank You Lord
Thank You Jesus
Thank You Lord
Thank You Lord
