

Out Of Them All

Byron Cage

Though the trial great
And intense the fight
I am not alone
He sees my tears
I know He hears
The righteous cry
The Lord will deliver me out of them all
Yes the Lord will deliver me out
Of them all

Though the trial great
And intense the fight
I am not alone
He sees my tears
I know He hears
The righteous cry
The Lord will deliver me out of them all
Yes the Lord will deliver me out
Of them all

Many are the afflictions of the righteous
But the promise of the Lord will deliver
By His hand
I'm safe
Each time that I know
The Lord will deliver me out of them all
Yes the Lord will deliver me out of them all

You are touched by all
Of the things I've faced
You forknew this trial
Would come my way
Though I walk through the valley
I'm not afraid
The Lord will deliver me out of them all
Yes the Lord will deliver me out of them all

Many are the afflictions of the righteous
But the promise of the Lord will deliver
By His hand
I'm safe
Each time that I know
The Lord will deliver me out of them all
Yes the Lord will deliver me out of them all

Many are the afflictions of the righteous
But the promise of the Lord will deliver
By His hand
I'm safe
Each time that I know
The Lord will deliver me out of them all
Yes the Lord will deliver me out of them all
Yes the Lord will deliver me out of them all
Yes the Lord will deliver me out of them all

He can
He will

Deliver
Me out of them all
He can
He will
Deliver
Me out of them all
He can
He will
Deliver
Me out of them all
He can
He will
Deliver

Each problem
That troubles
God will deliver
Every burden
Every care
God will deliver

He can
He will
Deliver
Me out of them all
He can
He will
Deliver
Me out of them all
He can
He will
Deliver
Me out of them all
He can
He will
Deliver
Me out of them all

Each problem
That troubles
God will deliver
Every burden
Every care
God will deliver

He can
He will
Deliver
Me out of them all
He can
He will
Deliver
Me out of them all
He can
He will
Deliver
Me out of them all
He can
He will
Deliver
