

The Glory Song

Byron Cage

Lord we glorify You
And we lift You up
Serving You oh Lord is a privilege
I'm gonna lift You up

Lord we glorify You
And we lift You up
Serving You oh Lord is a privilege
I'm gonna lift You up

From the rising of the sun
I'm gonna lift You up
Until the sun is long gone
I'm gonna lift You up
Oh Lord You're worthy of the praise
I'm gonna lift You up
And I think I'll praise You all my days
I'm gonna lift You up

Lord we glorify You
And we lift You up
Serving You oh Lord is a privilege
I'm gonna lift You up

Lord we glorify You
And we lift You up
Serving You oh Lord is a privilege
I'm gonna lift You up

From the rising of the sun
I'm gonna lift You up
Until the sun is long gone
I'm gonna lift You up
Lord we glorify You for everything
I'm gonna lift You up
For the peace and love and joy You bring
I'm gonna lift You up

Lord we glorify You
And we lift You up
Serving You oh Lord is a privilege
I'm gonna lift You up

Lord we glorify You
And we lift You up
Serving You oh Lord is a privilege
I'm gonna lift You up

Hallelujah, Hallelujah
Hallelujah, Hallelujah
Hallelujah, Hallelujah
I'm gonna lift you up

Glory (Hallelujah), Honor (Hallelujah)
Mighty (Hallelujah), Power (Hallelujah)
Worthy (Hallelujah), Jesus (Hallelujah)
I'm gonna lift You up

Glory (Hallelujah), Honor (Hallelujah)
Mighty (Hallelujah), Power (Hallelujah)
Worthy (Hallelujah), Jesus (Hallelujah)
I'm gonna lift You up

Glory (Hallelujah), Honor (Hallelujah)
Mighty (Hallelujah), Power (Hallelujah)
Worthy (Hallelujah), Jesus (Hallelujah)
I'm gonna lift You up

Glory (Hallelujah), Honor (Hallelujah)
Mighty (Hallelujah), Power (Hallelujah)
Worthy (Hallelujah), Jesus (Hallelujah)
I'm gonna lift You up

Glory (Hallelujah), Honor (Hallelujah)
Mighty (Hallelujah), Power (Hallelujah)
Worthy (Hallelujah), Jesus (Hallelujah)
I'm gonna lift You up

Lord we glorify You
And we lift You up
Serving You oh Lord is a privilege
I'm gonna lift You up

Lord we glorify You
And we lift You up
Serving You oh Lord is a privilege
I'm gonna lift You up
