

# Troubles Away

Byron Cage

1

Soloist: So you say you don't do something  
But you can't do nothing  
Well I got news for you  
Hear what we say  
Soloist: So try to hold your head up  
Things would get better  
Sooner or later  
Make it today  
Soloist: So when you're going through  
when you are going through  
Tis what you can do

Soloist: You got to wave them off  
Wave them off  
You can wave your  
Troubles away  
Soloist: You can dance them off  
Dance them off  
You can dance your  
Troubles away

Soloist: So you said you even been lied to  
Even been misused  
Ask the Lord why you  
Can't understand  
Soloist: Sometimes you feel worthless  
Will it ever hurt less

Tis what you can do
