

I Hate Byron

Byron Messia

This again
Nobody don't even bomboclaat like me enuh, dawg
Yow, dawg
Mhmm, mhmm
Run it again KD

Dancehall most hated
See the pussy them no want give me rating
Tell me dead grandpa me nah go ever fail him
Check in a me pocket, full a dead faces
See me dawg switch 'pon me, me no claim him
'Cause if me was badmind, me do the same thing
Money no change me, me make a couple changes
'Cause the mount a hate and pain weh the fame bring

What the fuck them want?
Me no deh yah fi long
Yeah, me just-just roll out, and me love just gone
What the fuck them want?
Since me gone global
Bag a man deh 'pon me case, but me no fuck no man
Tell me what the fuck them want?
Have the Ks them a dance like Elephant Man
Tell me what the fuck them want?
What the fuck them want?

We have the rifle 'pon the scenes fi make you know dark
We left your soul gone since you think you so bad
Jump out, close the door 'pon di Aura
Squeeze 'pon the fifty, a never old man

Anywhere me see, them a portal
You should a know man
You should a know man
Tell the world say fi hold on
Violate, you get your toe tag

Yow, dawg, me can't even trust me own pretty bitch
Swan Dan give me a milli, start fi up the image
Accept me fate, it's life or death, me walking 'round with a stick
Jason Jewelry slave band, eleven grand 'pon mi wrist
The 'mount a fight down them give me like a Chuck Norris
Me can't divorce out a the streets like say we just married
Everybody love me home until me touch foreign
Now them a talk bag a things, oh
Father God, tell me why them hate me so bad?
Come like them program, them no know man
Tell me what Jesus do to the Romans?
A the same thing them want fi do to Byron

Anywhere me see, them a portal
You should a know man
You should a know man
Tell the world say fi hold on
Violate, you get your toe tag

What the fuck them want?

Me no deh yah fi long
Yeah, me just-just roll out, and me love just gone
What the fuck them want?
Since me gone global
Bag a man deh 'pon me case, but me no fuck no man
Tell me what the fuck them want?
Have the Ks them a dance like Elephant Man
Tell me what the fuck them want?
What the fuck them want?

We have the rifle 'pon the scenes fi make you know dark
We left your soul gone since you think you so bad
Jump out, close the door 'pon di Aura
Squeeze 'pon the fifty, a never old man

Anywhere me see, them a portal
You should a know man
You should a know man
