

Toxic

Byron Messia

Why we A do this right now?
Why are we here?
You think am cheating on you but me know say A you A cheat pon me!
You know how much time me want try fe left?
But look here, who still deya with you
Me!
This ya can't be de love wa everybody A talk bout
Da relationship ya toxic

What is love?
Nobody nuh know dag
Nobody nuh sure cause you put you trust ina somebody bruk you own heart
Am feeling A bit lonely somebody come get me
When me ignore you A when you upset me
Cause if me no call you you nar go text me
But if me no call you A you A go stress me out
Sigh
Wa make you fall in love?
If you know you A break me promises
Say you woulda stay but do de total opposite
Me need A psychologist you switch on me like omnitrix
When you get obstinate back and forth like politics
Then you A go block me when you post up you statuses no care what de matter
is

We just can't leave one another
We can't keep from one another
You nuh see we toxic girl
Living in A toxic world
We just can't leave one another
We can't keep from one another
You nuh see we toxic girl
Living in A toxic world

No care how vex you man get we still A go find how fe connect like magnet
Me feel like fe put me heart away ina cabinet
You tell me you love me off da was inadequate
Me heart cold wrap it up pig ina blanket can't leave like house arrest monit
or anklet
Is like you nuh know how much gyal me can get but me can't left

We just can't leave one another
We can't keep from one another
You nuh see we toxic girl
Living in A toxic world
We just can't leave one another
We can't keep from one another
You nuh see we toxic girl
Living in A toxic world

Can't leave one another
We can't keep from one another
You nuh see we toxic girl
Living in A toxic world
We just can't leave one another
We can't keep from one another
You nuh see we toxic girl

Living in A toxic world
