Oh, why?  
Tell me why  
Tell me why

Tell me why me, oh, Lord, oh  
Tell me why me, oh, God, oh  
Tell me where me fake friends gone now  
The 'mount a loved ones lost, yow  
Oh, why me? Oh, God, oh  
Oh, why me? Oh, Lord, oh  
Just wan' sit down and bawl up  
Tell me why me, oh Lord, oh

Know me no innocent  
People a gwan like them perfect  
Like them life is all magnificent  
Thought you did make me in a heaven  
But me wan' know wha' make me a live a hell  
Me wan' call you fi we vent  
But you no use Flow nor Digicel  
You say fi give them me trust and me heart  
But me heart would a break if me give them

From earth me wan' leave  
Me can't trust the people weh fi protect me  
If me can't trust nobody, me call family  
Me can't go a church 'cause me can't trust a priest  
Me heart wan' heal  
You say when them interfere, turn the other cheek  
A you make the worse so you know me can't weak  
Me difference a fi different, a no baller 'pon a feet

Tell me why me, oh, Lord, oh  
Tell me why me, oh, God, oh  
Tell me where me fake friends gone now  
The 'mount a loved ones lost, yow  
Oh, why me? Oh, God, oh  
Oh, why me? Oh, Lord, oh  
Just wan' sit down and bawl up  
Tell me why me, oh Lord, oh

Nobody serious  
Love a the reason everybody a dead, that's why me no need love  
Me catty probably there in a threesome  
And the catty there a so a get feel up  
Me no see nobody fi me trust  
Still insecure 'bout humans  
People a nowadays Judas  
A look wha' them do to Jesus

From earth me wan' leave  
Me can't trust the people weh fi protect me  
If me can't trust nobody, me call family  
Me can't go a church 'cause me can't trust a priest  
Me heart wan' heal  
You say when them interfere, turn the other cheek  
A you make the worse so you know me can't weak

Me difference a fi different, a no baller 'pon a feet

Tell me why me, oh, Lord, oh  
Tell me why me, oh, God, oh  
Tell me where me fake friends gone now  
The 'mount a loved ones lost, yow  
Oh, why me? Oh, God, oh  
Oh, why me? Oh, Lord, oh  
Just wan' sit down and bawl up  
Tell me why me, oh Lord, oh  
Tell me why me, oh, Lord, oh  
Tell me why me, oh, God, oh
