

Violent Greed

Bywar

Violence -

Turns the mind to the stone confusing the sense along the years

Power -

The owner of the guilt, breaking up reasons of control

Luxury -

The delight of the pain stealing the scratching conquests of our lives

Misery -

The reality shows, the truth is the pride of the conscious lie.

We're forced in - To be witness of this violent greed

We are the slaves - To this faction called society.

Patriotism -

The lying conscience from a habitual aggression to the concepts

Insanity -

Justifies the weakness hiding the stupid authorities in laws

Ambition -

Through a global act raping and making dirty the innocence

Injuries -

To the sense of the shame.

Intolerance -

Monstrosity in disguise, usurping fidelity through the war

Cruelty -

A fanatical madness blessed by God and favored by the money

Corruption -

Shitting (bankruptcy) on the living and dictating the ways of life

Majesty -

This nations' pride.

We're forced in - To be witness of this violent greed

We are the slaves - To this faction called society.

We're forced in - To be witness of this violent greed

We are the slaves - To this faction called society.
