

## Lilly Marlene

BZN

Underneath the lantern, by the barrack gate  
Darling I remember, the way you used to wait  
'T Was there that you whispered tenderly  
That you'd love me, you'd always be  
My Lilly of the lamplight, my own Lilly Marlene

Time would come for roll call, time for us to part  
Darling I'd caress you, and press you to my heart  
And there 'neath that far off lantern light  
I'd hold you tight, we'd kiss "goodnight"  
My Lilly of the lamplight, my own Lilly Marlene

Orders came for sailing, somewhere over there  
All confined to barracks, was more than I could bear  
I knew you were waiting in the street  
I heard your feet, but could not meet  
My Lilly of the lamplight, my own Lilly Marlene

Resting in a billet, just behind the line  
Even though were parted, your lips are close to mine  
You wait where that lantern softly gleams  
Your sweet face seems, to haunt my dreams  
My Lilly of the lamplight, my own Lilly Marlene  
My Lilly of the lamplight, my own Lilly Marlene
