

# Tears Won't Wash Away My Heartache

C.C. Catch

Oh, I sold my heart to you  
Babe, like all dreamers do  
Feel the shadows of a heartache  
Out of reach and out of touch  
If I give you babe so much  
Feel the shadows of a heartache  
Oh, this restless world - I need my dream  
Someone, save my life  
And I know what it means

Tears won't wash away my heartache  
Tears won't wash away, tears won't wash away  
Tears won't wash away my heartache  
Tears won't wash away, tears won't wash away

And I'm losing my dream - I pray to you  
Davie, oh Davie - I'm dreaming  
Davie, oh Davie - believe me  
Tears won't wash it away  
Oh, won't wash it away  
'Cause to get hold on hard baby  
Say farewell, don't say goodbye  
It's too late for a try  
Why can't we live together  
Years may come and years may go  
Oh, you hurt before you know  
In the shadows of a heartache  
I'll be afraid I'm losing you  
Oh, don't save my life, babe  
Oh, you're making blue
