Honest

C. Tangana

All my life I've been (All my life I've been, all my life I've been, all my life I've been)
All my life I've been patient (All my life I've been patient, all my life I've been)
Forced to deal with temptations
Too drunk to behave tonight

I don't wanna wait tonight (Wait)
But, love, you're gonna be somebody (Solo, solo, solo, oh)
You know I'm gonna need somebody for me (Somebody, solo)
While I'm touching on your body (Chocha, culo, teta)
Tell me you're gonna be somebody (Somebody, solo, solo, solo)

Wanna be honest with you
All I want is you
All I want is a chance
To be honest with you

Wanna be honest with you (Solo, solo)
Wanna be honest with you (Solo, solo)

Quiero ser honesto contigo (Solo, solo)
Es que no imagino que esto acabe de amigos (Solo, solo, solo)
He dicho que me iba y te has tirado pa'l piso
Porque tú quieres que te coma completa (La chocha, culo, teta)
Por eso cuando paso te pones tan coqueta (La chocha, culo)

'Cause you're gonna need somebody (Solo, solo, solo, oh)
You know I'm gonna need somebody for me (Solo, solo, solo, oh)
While my hands are all on your body (Chocha, culo, teta)
Tell me I'm gonna be somebody for you (Solo, solo, solo)

Wanna be honest with you
All I want is you
All I want is a chance
To be honest with you

Wanna be honest with you
Wanna be honest with you

(Solo, oh)
(Solo, oh)
That don't even gotta be true tonight
I just really wanna look at you tonight (Solo)
I'm drinkin' a lot and alone right now
I still gotta try and make it move tonight (Solo)
(Solo)
(Solo)
