

Don't Break It

C21

Don't push it â€¦ no, don't push it
The lifeline is your source

Would you believe it if I told you Â'bout something
Would you lie for the benefit of doubt so you will loose
You won't feel attractive
You won't feel accepted
Why â€¦ waste it on a sick try

When the tough keeps coming at you, don't fall
The only thing I really want is just you back in life

Your life doesn't spin around â€¦ I can see it now
Your eyes won't get me down â€¦ I want you back in life

Would you know if you been living on a lie

Or would you keep walking on a thin line

Don't break it, don't break a lifeline
You'll find your reasons
But you're right next to me
Don't break it, don't break a good sign
If you go crazy in a mixed up world
I'll let you off easy
But breaking it will be a sin

I would die if I didn't see sunlight
Why would you be the one blocking my sight â€¦ I'm on your side
You will find me attractive
You will be accepted now
It's you back in life
