

You know I'm gonna make a try
I never wanna let it die
But this ain't right
Don't justify

You...you're everything I need
But sometimes we just disagree
And this is my way to proceed

Silence cannot breathe on your side
But emptiness is my wound
'Cuz I'm in pain why can't you see I'm down
Being the one just around

I'll stay away 'till it's over
'Cuz you need to realize
It's time for me to go
Please stay away 'till it's over
And I will clear my thoughts again
Crazy or blind
I'll stay away 'till it's gone

You...you're everything I want
The reason why I wrote this song
I'll be back when words are gone

If silence can't survive on your side
Then loneliness is my pride
When I'm in pain why can't you see I'm down
Being the one just around

I'll stay...

You have to understand
It's only for a while
You have to understand
This is just my style
