You are stuck in my heart

```
Can't you tell
you've been all over me like a spell - I know
(I never wanna let you go)
Can't you see
you've been changing the world around me - I know
(I never wanna let you go)
If you hold me close enough
I can whisper you the words
If the distance is to far
I can't do nothing, cuz
You are stuck in my heart
and we can go anywhere
whatever the reason you are
so stuck in my heart
like counting a million stars
for that many reasons you are
Can't deny
since I met you that day I've been blind - to see
(Now I wanna know for real)
Inside me
I'm afraid to wake up from a dream - and see
(It never really happen to me)
If you hold me close enough
I can whisper you the words
If the distance is to far
I can't do nothing, cuz
You are stuck in my heart
and we can go anywhere
whatever the reason you are
so stuck in my heart
like counting a million stars
for that many reasons you are
You are.....like a dream so deep inside of me
You are.....the reason that I never sleep
You are.....stuck in my heart
You are
Can't you tell
you've been all over me like a spell
(I will never let you go, I will never let you go no, no)
Can't you see
you've been changing the world around me
(I don't wanna let you go, no I'll never let you go no, no)
```

and we can go anywhere whatever the reason you are so stuck in my heart like counting a million stars for that many reasons you are
