

## Did That

Ca\$h Out

Stayed up late night in the trap did that  
Had to hold my own on with the strap did that  
Work losing and I had to bring it back did that  
Pack and turn around up a sack get that

Gotta get paid, first of the month everybody ate  
[?] on that stick yeah I'm talking case  
I take them 20 grams to that 28  
Lil water just dump it in the pot  
12 lurking that mean the block is hot  
[?] that mean they jumping over  
I'm getting money that mean she coming over

Stayed up late night in the trap did that  
Had to hold my own on with the strap did that  
Work losing and I had to bring it back did that  
Pack and turn around up a sack get that

Standing on the trench tryna get paid  
[?] trap going crazy erbody straight playing commas now  
Change comma now, break comma now  
Police round the corner running  
Won't you travel round the corner now  
Niggas mad about from the street  
Nigga smell the gas on the street  
That girl got a leak  
Neighbours gon tell if they ever smell smell  
They complain about the smell

Stayed up late night in the trap did that  
Had to hold my own on with the strap did that  
Work losing and I had to bring it back did that  
Pack and turn around up a sack get that

Shorty got it for the low they know that  
They know that, they know that  
She a thot she a go, I know that, I know that  
Fast cars a nigga stupid we tow that we tow that  
I got that I got that  
King of [?] a fact, a fact I been there  
I'm the man they wanna [?]  
Three thousand dollars on a pair of [?]  
Bankhead boy how my belt feel  
Kill a fuck nigga with my [?]

Stayed up late night in the trap did that  
Had to hold my own on with the strap did that  
Work losing and I had to bring it back did that  
Pack and turn around up a sack get that
