I want to go to Mexico  
I heard they got it for the low  
She wonder why my wrist here glow  
Because I came from Mexico

I wanna go to Mexico

I heard they got it for the low

I know that they cheap, they driving a Jeep  
I'm up in the kitchen, I'm whipping a pitch  
I heard amigo got it for the low  
I wanna go to Mexico  
I go to Africa to get my diamonds  
I go to LA just to join the club  
I go to Miami they dig my hoe

But for the blow I wanna go to Mexico

I know that they snitching I know that they snitch  
I'm up in the kitchen  
They bitches, they love me, the way that I kick it  
Kick back, roll on me, you came for it  
Shooters on four corners, I mean that's cold

I want to go to Mexico  
I heard they got it for the low  
She wonder why my wrist here glow  
Because I came from Mexico

Wish we, I'm three fly come from Amsterdam  
In a foreign baby yeah I'm in a lamb

Then re-up and reload  
Then what's up and what's on my wishlist is Mexico

I heard they got it for the low  
She wonder why my wrist here glow  
Because I came from Mexico

I heard they got it for the low
