

## Pablo

## Ca\$h Out

I feel like Pablo Escobar, fishscale in my car  
Fishscale in my Rollie, your trap, it ain't rollin'  
I just met the plug, we got all the drugs  
We show all the love, I feel like the plug  
Pablo, Pablo, Pablo, Pablo  
Pablo, Pablo, Pablo, Pablo  
I feel like Pablo Escobar, fishscale in my car  
Fishscale in my Rollie, your trap, it ain't rollin'

Narcos, narcos, Pablo, Pablo  
I call my man for the low low  
We 'bout to drop that snow dough  
I never talk to the po-po  
Always ran from the po-po  
Strap on the seat, trap every week, y'all niggas weak  
We in the streets, a couple of safes, that's a couple of Pateks  
Call up the freaks, I'm havin' a feast, goddamn I'm a beast  
Make the trap beat, just like the beat  
Just like the beat, ooh  
Trap, trap, I'm gettin' money, you niggas funny  
Actin' real monkey, choppers for monkeys  
Don't touch that load, don't come for that dough  
With that bullshit, nigga better get low  
I'm sendin' straight hits, feelin' like Pablo

I feel like Pablo Escobar, fishscale in my car  
Fishscale in my Rollie, your trap, it ain't rollin'  
I just met the plug, we got all the drugs  
We show all the love, I feel like the plug  
Pablo, Pablo, Pablo, Pablo  
Pablo, Pablo, Pablo, Pablo  
I feel like Pablo Escobar, fishscale in my car  
Fishscale in my Rollie, your trap, it ain't rollin'

Ask me how I'm feelin', I'm tryna make some millions  
Stack it to the ceilin', Pablo, Pablo  
Come and ride with me, go'n and take that risk  
This a clean trip, Pablo, Pablo, ayy  
Usin' the iPhone, only for the calculator  
Got the trap phones goin' up like elevators  
I know they watchin'  
I know they lookin', I pose for haters  
My pockets cheddar, I let 'em know I'm gettin' paper  
Run the trap like Que  
But I flip them grams and got that paper  
Went and copped like eight  
But I ain't Kobe B, I ain't play for them Lakers  
Know I'm trappin' them numbers  
What the fuck out talkin' 'bout, I ain't got no favors  
Better be 'bout M's  
When you sittin' down and you talkin' by the table

I feel like Pablo Escobar, fishscale in my car  
Fishscale in my Rollie, your trap, it ain't rollin'  
I just met the plug, we got all the drugs  
We show all the love, I feel like the plug  
Pablo, Pablo, Pablo, Pablo

Pablo, Pablo, Pablo, Pablo  
I feel like Pablo Escobar, fishscale in my car  
Fishscale in my Rollie, your trap, it ain't rollin'
