And if a trap pull up you know we gonna race  
You sleeping on back out tryna get this pack out  
Tired of the corner gotta get a trap house  
And all ma trap niggas they gotta feel this  
They say the way that I talk man I'm gon be serious  
Money stacked up real good tell myself it's about time  
You better put that sack up for dry time  
Don't get it twisted nigga I'm about mine  
And don't do the crime if you can't do the time
