

'Member when we were riding in your car  
Not thinkin' 'bout much, didn't get too far  
Nineteen miles til the gas ran out  
And I ain't never walked that far before

It tastes like candy and cigarettes  
And at that point, hadn't tasted anything better yet  
Got that love that can make a man  
Got those eyes, make a man forget  
Oh-oh, oh-oh, oh-oh, oh

Say you love me all the way  
Say that you love me, you do  
Say that you'll call me every single day  
Place a phone call for you  
And I'll let you listen to my favorite tapes  
Playing my tapes right through  
Say you love me all the way  
Hey, yeah, hey, yeah, hey, yeah-yeah

She said I'll try to help you if I can  
And after all this time, you're still the man  
We're just books upon a shelf  
Try to understand this if you can

And then she gives like a bubble bath  
Oh, I love it when you laugh  
Rain like pennies in a tin can  
There's only one question left to ask  
Whoa-whoa, oh-whoa, oh-whoa-whoa

Do you love me all the way  
Say that you love me, you do  
Say that you'll call every single day  
Place a phone call for you  
And I'll let you listen to my favorite tapes  
Playing my tapes right through  
Say that you love me all the way

Say that you love me all the way  
Say that you love me, you do  
Say that you'll call every single day  
Place a phone call for you  
And I'll let you listen to my favorite tapes  
Playing my tapes right through  
Say that you love me all the way  
Hey, yeah, hey, yeah, hey, yeah-yeah
