

Come With Me Now

Caamp

I want to see you, and feel you
And know you as you move around
I want to lead ya fearless in moonlight
Forward bound

I see the green in your eyes, it is strong
Just like your shoulders
Come with me to the creek darlin'
I got something to show you

Come with me now
Come with me now
Come with me now
Come with me now

Come with me now
Come with me now
Come with me now
Come with me now
Come with me now
Come with me now
Come with me now
Come with me now

(Come with me now)
Don't you know? I'm sure you'll come with me
(Come with me now)
