

# Moonsmoke

Caamp

If I die young, heaven hold me  
For the road's long and it's lonely  
If you knew me then you know me, bone deep  
If I die young, heaven hold me

"Hello Bluebird, hello Robin"  
"Top of the mornin"  
"How's it goin?"  
"We don't know, just got here"  
"Got it"  
"Hello Bluebird, hello Robin"

I knew sunshine, I knew Moonsmoke  
I knew long laughs, I knew good jokes  
Ooh the bottle it broke, had a token  
I knew sunshine, I knew Moonsmoke
