

## Ohio's Ugly

Caamp

You say you love me  
And I know it's for real  
Ohio's ugly  
Baby, it's all feels

And I think you look good  
Yeah, I think we look good  
Layin' in most fields

Oh, baby, hold me  
I'm losing all my bets  
You think you owe me  
You callin' off the edge

And I think you look good  
Yeah, I think you look good  
And I think you look good  
Oh, I think we look good

Callin' off that edge  
Callin' off that edge  
Callin' off that edge  
Callin' off that edge, hey

Callin' off that edge  
Callin' off that edge  
Callin' off that edge  
Callin' off that edge, hey
