

Porchswing

Caamp

Porchswing lover I come running
I won't run away
I swing right here in place
I love you

Porchswing lover under the covers
I won't turn away
I pull you close and say
"I love you. I love you."

And if I learned the words to your favorite song
Would you do a little dance for me, nothing on?
Pretty as a bird and the day is long
I need you
Maybe you got something to confess
It's been weighing heavy on your chest
Call me, baby girl, you can take a rest
You need it

Porchswing lover I come running
I won't run away
I swing right here in place
I love you

Porchswing lover under the covers
I won't turn away
I pull you close and say
"I love you. I love you."

Porchswing lover I come running
I won't run away
I swing right here in place
I love you

Porchswing lover under the covers
I won't turn away
I pull you close and say
"I love you."

Porchswing lover I come running
I won't run away
I swing right here in place
I love you...
