

Shade

Caamp

You don't like guns, and honey, there's fireworks
Hold my hand, somehow, we'll make it work
Smoking on fire-escapes, honey, we're way too tall
Climbing on up with you that I'll take the fall

On and on, and on, it's all the same
Telling all your friends you feel okay
Laughing 'cause you're tearing up again
I see further, I see further

I'm wasting my time away
Spend my days parked in the shade
I'm wasting my time away
It's okay
Yeah, it's okay

Hm-hm-mm

Walk into coffee shops
Thinking 'bout you in bed
Bringing one back for you
Wake up, sleepy head

On and on, and on, it's all the same
Telling all your friends you feel okay
Laughing 'cause you're tearing up again
I see further, I see further

I'm wasting my time away
Spend my days parked in the shade
I'm wasting my time away
It's okay
Yeah, it's okay

I'm wasting my time away
Spend my days parked in the shade
I'm wasting my time away
It's okay
Yeah, it's okay

Sure, it's okay
Yeah, it's okay
